

Future Interns – Task 1

Personal Professional Portfolio

Intern: Prakhyath S
Track Code: FS
Date: August 14, 2025

GitHub Repository Link:

https://github.com/prakishivu05-bot/FUTURE_FS_01

Project Description:

This repository implements Task 1 from Future Interns: a personal portfolio with interactive resume, projects, contact form (email), and SEO.

Tech Stack:

- React + Vite + Tailwind
- Optional Node/Express + Nodemailer for email
- Deployed on Netlify/Vercel (choose either)

Run Locally:

1. npm install
2. npm run dev

Optional Backend:

1. cd server
2. npm install
3. cp .env.example .env # set MAIL_USER, MAIL_PASS (App Password), MAIL_TO
4. npm run dev
